Novices (Ages 6,7 and 8) do not have to take part in all races but there will be a first, second and third place medal given for the quickest time and all swimmers get a certificate & surprise for taking part. All events will be decided on the quickest time regardless of how many heats there are.

There shall be a trophy for the best boy and best girl in the 9/10 year old age group and above. This shall be decided by points being awarded to each competitor in the age group depending upon where they finish in each event. A competitor will receive 1 point for finishing first, 2 points for second etc. any competitors not taking part in any particular event will receive the same point allocated to the last finisher plus one. The boy and girl with the smallest number of points over all 5 events will be the winner.

If any swimmers break a club record then there is a trophy given at the end of the galas. All trophies are kept for a year before being returned for the next club championships. **Thank you for supporting your child.**
