20	Girls	11-12	Breaststroke	50m	B Macdonald	48.75

Swimmers do not have to take part in all races but there will be a first, second and third place medal given for the quickest times and all swimmers get a certificate for taking part. All events will be decided on the quickest time regardless of how many heats there are.

There shall be a trophy for the best boy and girl in each age group. This shall be decided by points being awarded to each competitor in the age group depending upon where they finish in each event. A competitor will receive one point for finishing first, two points for second etc. any competitors not taking part in any particular event will receive the same points allocated to the last finisher plus one. The boy and girl with the smallest number of points over all five events will be the winner. All trophies are kept for a year before being returned for the next club championships. **Thank you for supporting the club!**
